Description

Welcome to this beautiful new construction project on the Drypikkel in Merchtem, where modern living, comfort and tranquility come together. This recently completed residential project consists of two stylish apartment buildings with a total of 48 spacious and bright apartments. Whether you are looking for a cozy 1-bedroom apartment or a larger living space with 2 or 3 bedrooms, here you are sure to find a place that suits you perfectly. Surface areas range from 84.80 m² to 143.20 m², each with a smart layout and high-quality finishes. Moreover, you will enjoy extra comfort thanks to underground parking spaces, private cellars and solar panels that contribute to sustainable and energy-efficient living. Here you live in peace and yet within walking distance of stores, schools and public transport. The connection to surrounding towns and highways is also excellent. Whether you're looking for a first home, want to move to something new or are looking for a value-proof investment, this move-in-ready project offers it all. Feel at home at the Drypikkel - your new place to live is waiting for you.
