# Description

Located in a prime position on Basiliekstraat in Halle, this spacious and versatile commercial property offers a total usable surface area of approximately 635 m<sup>2</sup>, spread over four floors. The property is currently occupied by Demanet, a well-established and highly recognised store in Halle and the surrounding area. This immediately highlights the strong commercial location and excellent visibility of the property. A major asset is the impressive 11-metre shopfront, which ensures a striking street presence and outstanding commercial visibility. The layout is particularly functional, featuring a retail space of approximately 160 m<sup>2</sup> on the ground floor, an additional lower level of around 40 m<sup>2</sup>, extra retail space on the first floor of approximately 142 m<sup>2</sup>, an adjoining storage area of around 136 m<sup>2</sup>, a modern office space of approximately 75 m<sup>2</sup> with a spacious terrace, and on the top floor additional storage space, an open kitchen and a staff area with shower, toilet and washbasin. Thanks to the various skylights, the property also benefits from a pleasant amount of natural light. This property represents an exceptional opportunity for entrepreneurs, investors or retailers looking for space, visibility and a strategic location in the commercial heart of Halle. A rare opportunity to acquire a landmark commercial property in one of Halle's best locations.
