PEB/EPB: 19kwh/m²/j

Description

The Hallery is located on the edge of town within walking distance to the Basilica and shopping areas. High quality finishes with underfloor heating, ventilation system D, individual heat pump. Double thermal insulating glazing of the clear type. Large living room and spacious bedroom(s). Small residence of 18 apartments and 4 beautiful penthouses. There are very spacious terraces with east-south-west orientation giving out on the courtyard garden. The building was conceived in function of the environment, the rhythmized vertical divisions in medium bronze aluminum provide an ever-changing color shade and give the facades a refined look. All horizontal surfaces are arranged as green roofs. Underground you will also find bicycle storage. In a few minutes walk you are in the center with all its stores, cafes, restaurants, the Grand Place with its majestic Basilica, the Bib, park and sports facilities and the railway station. In 10 min you are in Brussels South by train. Price to be increased with selling rights on the land and VAT on the construction. The information and surfaces given are purely indicative and do not imply any legal commitment.
