Description

Welcome to this charming renovated half-open house. We enter through the entrance hall, which leads to the living area on the one hand, and on the other to a spacious room that can be used as desired (office, bedroom, storage room). The spacious living room is bathed in natural light through the many windows and has a classy feel. Adjacent is the kitchen, which received a new stove in 2024. On the second floor we find the 3 bedrooms, one with its own dressing room and the stylishly renovated bathroom (2024). Outside the main house are still the porch, which leads to the large terrace, 2 garages and a garden, both in front of the house and at the back. No renovation obligation, compliant electricity inspection. Close to stores, all that downtown Halle has to offer, and major highways. Don't miss your chance and feel free to request a visit. We look forward to welcoming you.
